

# Estimated Monetary Return-On-Investment (ROI) for Hope Academy

## Roughly Estimated Net Value over 25 year period of social benefit (above a no-intervention baseline):

Estimated net value over time of social benefit per HA graduate  
 $\approx$  ₹2 crore/graduate (in today's rupees)  
( $\approx$  \$ 300,000/graduate in today's dollars)

Total number of HA graduates  
 $\approx$  80 HA graduates per year  $\times$  25 years  
 $\approx$  2,000 HA graduates

Total social benefit  $\approx$  ₹2 crore/graduate  $\times$  2,000 graduates  
 $\approx$  ₹4,000 crore (in today's rupees)

## Total Initial Investment:

Total Investment  $\approx$  ₹20 crore (in today's rupees)

## Estimated Net Value over time of Social Benefit Divided by Total Initial Investment:

(Estimated Net Value of Social Benefit)/(Total Investment)  
 $\approx$  ₹4,000 crore/₹20 crore  
 $\approx$  **200X = 20,000 percent over 25 years**
